# FLORIDA DEBATE INITIATIVE

# IMPACT 365

CREATING AN IMPACTFUL PARTNERSHIP *TOGETHER.*

## SUPPORT OUR MISSION

Education extends beyond the classroom at the Florida Debate Initiative (FDI). Our mission is to unlock student opportunities through the transformative power of speech, debate and civics education.

The FDI advances educational achievement and promotes excellence within Florida's Education System by providing students with robust educational, leadership and professional learning opportunities via increased participation in local speech and debate programming.

We envision a Florida where all students, regardless of socioeconomic background, are given the ability to learn and practice communication, leadership and critical thinking skills through speech and debate competition opportunities.

The FDI instills a love of country, a sense of community service, and a deep appreciation for our systems of government, ensuring students are prepared to be active citizens and effective leaders with vital skills for success in an interconnected society.
